24 December 1958

Dear Charlie,

Confirming your telephone conversation with Jim on 24 December 1958, it is requested that a Resume type report summing up actions to date, current status and recommended disposition of the "C" Configurations be submitted.

Sid would like to receive this report as soon as possible in order that a final decision can be made on disposition of all "C" equipment.

Very truly yours,

Dan

19 December 1958

SUBJECT: Termination of "C" Effort
Contract No. HF-32-27

TO: Contracting Officer

Reference is made to discussions held 15 December 1958 concerning the Stop Work Order on "C" Configuration. This letter will serve to confirm those actions already taken and to define the future prospects of the "C" Configuration so far as FOG is concerned.

25X1A
25X1A
25X1A

Effective 12 December 1958, a Stop Work Order was verbally given to [redacted] and Project Engineer, [redacted] P-E Corp. by the FOG WSPO. Effective 16 December 1958, a termination notice was verbally conveyed to the Contracts Administrator of P-E by [redacted]

In the absence of other guidance, the following actions relative to "C" are believed appropriate from a FOG point of view.

a. The Contractor should prepare and submit a complete inventory of parts and equipments belonging to and/or used in support of the "C" program.

b. The Contractor should package or box all "C" items for shipment taking proper preservative action as required.

c. The Contractor Project Engineer should prepare a resume type report summing up actions to date and current status of the effort.

d. The "C" equipments, parts and components should be stored; suggest [redacted] pending decision on appropriate disposition.
